COMMUNITIES PLANNING TO CELEBRATE & ENGAGE IN RECOGNITION INITIATIVES AND NATIONAL EVENTS 2018

Community meetings will take place in the three larger communities within the coming weeks to form working groups to deliver series of community events including International Women's Day programs, National Harmony Day initiatives, National Seniors Week events and more.

As in previous years, services, agencies and individuals are encouraged to attend to develop and engage in the series of upcoming community capacity building and development events.

The variety of events to be delivered to community align with Council's Community Strategic Plan 2017- 2027 and set about delivery with input from residents and services with a focus on social inclusiveness to engage "whole of community".
