FOCUS GROUP FOR WESTERN PLAINS FUNCTIONAL ECONOMIC REGION (FER)

Walgett Shire Council invites interested parties to attend a Focus Group to discuss the Western Plains FER arranged by Grant Leslie, General Manager of Balmoral Group Australia. The gathering will be held on Tuesday the 20th of March at the Walgett and District Sporting Club and will commence at 6.30pm.

Key issues facing business owners, such as the level of Council services, economic development opportunities and barriers to business growth will be the main topics of the evening.

The workshop will take 1 – 2 hours and gives everyone the opportunity to network and converse issues and potential solutions.

It is anticipated that specific areas of concern will be identified and those in attendance will generate specific, actionable recommendations to increase the effectiveness of the Council's economic development efforts.

Council fully supports this project and welcomes residents and representatives from the business community to attend.

A light supper will be provided, please RSVP to Peta Schiller, Economic Development Officer on 0268 281 399 before 5pm Thursday March 15 2018.

If you have any questions about the workshop, please contact Grant Leslie at GLeslie@balmoralgroup.com.au.
