**2020 – 2025**

Prepared by Ms. Reburdah Dennis- ALCDO & WSC Community Development Team

*“Council acknowledges the traditional custodians and first people of our lands the Gamilaroi and Yuwaalaraay people. We pay our respect to Elders both past, present and emerging, acknowledging their spiritual connection to the lands and waterways within the Walgett Shire.*”

## ACKNOWLEDGEMENT

Artists:

### Frank Wright (Dhinawan) – Walgett

Frank Wright's is a Gamilaroi local artist who has a great connection with his artwork and culture. He was born in Walgett where the two rivers, Namoi and Barwon meet. He has ancestral ties with the Dunghutti people of Kempsey. He has been involved in a number of community projects and likes to teach about his culture where ever possible. After experimenting with many different techniques of painting he prefers to paint traditional style work with acrylic ochre colours. His artwork has been as far as France, Mexico, and Port-De-Bouc and has exhibited with Nelson Mandela. Over the years this has presented Frank with the opportunity and confidence to push his artwork to be taught in all scales and to all walks of life.

### Josh McCormick – Lightning Ridge

Josh is a Murrawarri man from Lightning Ridge, he has been painting for many years and has developed his “own” style of contemporary Indigenous Art. His artwork has been featured on the NSW PCYC Aboriginal Reconciliation Plan in 2018. Many of his paintings have been purchased by locals and visitors to our Shire and this emerging Aboriginal artist is gaining notoriety across the State as an accomplished Indigenous artist with his “own” depictive style.

*We would like to sincerely thank all those organisations and individuals across our vast Shire for your input and suggestions into this Aboriginal Reconciliation Action Plan and are committed to implementing the strategies within this plan.*

## **THE REVIEW**

### **BACKGROUND**

The purpose of the project was to provide community input into the review of Council's current Aboriginal Community Development and Reconciliation Plan 2007-2010 Throughout May – September 2018 & April – November 2019 organisations, Aboriginal Working Parties, Aboriginal Health Services, Key Aboriginal Elders, Aboriginal Land Councils, Aboriginal Housing providers, Aboriginal and non – Aboriginal youth and community members were invited to have their say on what they value most about reconciliation, what they would like to see improved or changed and what they wanted for the future.

Council's community services team staged and implemented a "whole of community" approach in first informing and consulting community then seeking feedback from individuals, groups and community.

Through a strategic consultation process, backed by an endorsed community engagement strategy Council's community services team set out to engage and offer as many community members as possible a voice and opportunity to provide feedback on the current Reconciliation Plan feelings and concerns and aspirations they may have relating to living in the Walgett Shire.

- **Council community development staff facilitated fourteen individual information sessions with key organisations and community groups facilitated “the review” workshops at youth meetings, Community Working Parties, Aboriginal Medical Services, Indigenous Villages, and Local Disability Services. Staff also planned and implemented a “going to the people” approach.**
- **Council supported the campaign by undertaking a campaign with local media and radio and print. Council is well placed and connected to the broader community and in-turn utilized its extensive community contact list with over 300 local emails to residents, organisations, business owners receiving information on the ARAP review.**
- **The consultation list included many Government and non - Government departments at all levels to seek feedback from those departments working throughout our communities on how their operations may value add to Councils service and the role it plays.**

## **METHODOLOGY**

- ❖ Improve in meeting targets
- ❖ Should there be further actions within this Plan
- ❖ What actions were relevant and what actions are non-existent.

## **Reconciliation Australia: What is Reconciliation?**

*For Aboriginal and Torres Strait Islander peoples, Australia's colonial history is characterised by devastating land dispossession, violence, and racism. Over the last half-century, however, many significant steps towards reconciliation have been taken.*

*Reconciliation is an ongoing journey that reminds us that while generations of Australians have fought hard for meaningful change, future gains are likely to take just as much, if not more, effort.*

*In a just, equitable and reconciled Australia, Aboriginal and Torres Strait Islander children will have the same life chances and choices as non-Indigenous children, and the length and quality of a person's life will not be determined by their racial background.*

*Our vision of reconciliation is based and measured on five dimensions: historical acceptance; race relations; equality and equity; institutional integrity and unity.*

*These five dimensions do not exist in isolation, but are interrelated. Reconciliation cannot be seen as a single issue or agenda; the contemporary definition of reconciliation must weave all of these threads together. For example, greater historical acceptance of the wrongs done to Aboriginal and Torres Strait Islander peoples can lead to improved race relations, which in turn leads to greater equality and equity.*

*Our vision of reconciliation is based and measured on five dimensions: historical acceptance; race relations; equality and equity; institutional integrity and unity.*

# ACTION PLAN – 2020/2025

## **1. School to Work Program and Traineeships**

Walgett Shire Council has implemented a School to Work Traineeship Program in partnership with the Walgett Community College, Lightning Ridge and Collarenebri High Schools. Students train in various roles within the council, these areas include; Youth Development, Customer Service, Library Assistant, and Mechanics at the Walgett Shire Council Depot.

The aim of this initiative is to provide young Aboriginal people with responsibility and an exciting venture outside the school environment yet within the school curriculum. It gives students access to formal training to assist them with their future job applications and provide a larger pool of skilled people within the Shire.

This program was developed to raise the level of commitment and employment opportunities for both Aboriginal and non-indigenous communities throughout Walgett Shire Council. Council is concentrating its initial efforts on the Aboriginal population of the Shire. All of the current participants are Aboriginal students.

### **Recommendation 1:**

**That Council continues to implement the *School to Work Program* in Walgett, Lightning Ridge and Collarenebri in accordance with the *School to Work Program* adopted by Council on 19 June 2007.**

## **2. Aboriginal Liaison & Community Development Officer**

Walgett Shire Council have a number of Aboriginal community members employed in the field across the Shire and have recently employed an Aboriginal Liaison/Community Development Officer to assist in raising the level of involvement of the Aboriginal communities across the Shire on all council matters. This position is responsible for organizing and implementing Reconciliation events across the Shire and working with Aboriginal people on a daily basis. The position value adds to a team of community practitioners seeking to build and support capacity within the communities across our Local Government Area.

### **Recommendation 2:**

**That Council continues to support the employment of an Aboriginal Liaison Community Development Officer (ALCDO) to assist in raising the level of involvement of Aboriginal communities across the Shire on all council matters.**

### **Recommendation 3:**

**That the ALCDO actively participates and attends scheduled meetings of Walgett, Lightning Ridge and Collarenebri Interagency Meetings, Working Party Meetings and all organized local meetings addressing Aboriginal issues.**

### **3. Aboriginal Cultural Protocols**

Council recognizes all Aboriginal people as the traditional owners of the land and commits to ensuring that it will promote respect for Aboriginal culture. It is essential that protocols used are in consultation with the local Aboriginal CWP to ensure local protocols are adhered to.

#### **Welcome to Country**

The traditional Aboriginal owners, usually a recognised Elder or a senior representative of the local Aboriginal community, should be invited to undertake the "Welcome to Country" Ceremony at all official ceremonies.

The wording or content of a "Welcome to Country" is at the discretion of the Elder or traditional owner who provides the Welcome.

#### **Acknowledgement of Country**

An "Acknowledgement of Country" is a way that all people can show respect for Aboriginal culture and heritage and the ongoing relationship the traditional owners has with the land.

Council is committed to Acknowledging Country at all its significant events, meetings or gatherings.

#### **Recommendation 4:**

**That Council recognises Aboriginal people as the traditional custodians of the land, waterways and stories by Acknowledging Country at all its official events, meetings or gatherings and use Welcome to Country through a local Elder or Youth representative of the Language Group (Nation) at all its official events.**

Walgett Shire Council is committed to the flying of the Aboriginal Flag on a daily basis. A significant mark of respect for the Aboriginal communities throughout the Shire, the flag is also flown at half-mast whenever the Council is notified of the death of an Aboriginal community member.

Established Aboriginal organization i.e.: Walgett Aboriginal Medical Service, Aboriginal Land Council, Dharrivaa Elders Group or another reputable Aboriginal organization / agency will inform Council of the need to carry out this undertaking.

### **Recommendation 5:**

**That Council raises the Aboriginal flag alongside other flags at the entrance to Council Chambers located at 77 Fox Street, Walgett.**

## 5. NAIDOC Week Celebrations

NAIDOC Week is a celebration of Aboriginal Culture and Heritage throughout the Shire. Walgett Shire Council is committed and fully support the NAIDOC Week celebrations, which has been evident through their active involvement and participation in the past.

Walgett Shire Council will continue to support and be actively involved in the NAIDOC Week celebrations throughout the Shire.

### Recommendation 6:

**That Council supports NAIDOC Week Celebrations through support with Grant applications and assisting with the co-ordination of the program through Community Services and Youth Services.**

## **7. Community Events- Sorry Day- Seniors Week – Youth Week - People with Disabilities and National Days of Recognition**

Council recognizes that services are required for older persons (including Aboriginal older people) within the Shire. These services, whilst not directly provided by Council, are provided by other agencies and Council supports initiatives to meet the demand for facilities and services in aged care including housing, personal care, transport and recreational needs.

National Sorry Day provides the opportunity for all Australians to be involved in activities to acknowledge the impact of the policies of forcible removal of Australia's indigenous populations and, then, to celebrate the beginning of a new understanding.

It offers every community the chance to shape a ceremony which, by the frankness of its acknowledgement of past wrongs towards the 'stolen generations', and by the sincerity of its commitment to overcome racism, unites the community. Such a ceremony cannot be prescribed. It must come from the hearts of local people, Indigenous and non-Indigenous.

A ceremony could be accompanied by displays, cultural presentations, theatrical and other events developed together by the local Indigenous and non-Indigenous communities, which bring the history to life, expressing the pain but also the resilience of those who were removed

Council also plays a key role in developing, implementing, promoting and support many initiatives across the Shire to all groups of people within our Local Government Area. The groups within our Shire are seen as our strengths and we work with all for a connected, harmonious community.

Council's Aboriginal Liaison & Community Development Officer will work in collaboration with Councils Community Development team to assist and deliver a meaningful event to the broader community.

**Recommendation 7:**

**That Council in partnership with other agencies continue to collaborate and play a vital role in supporting and implementing events and opportunities targeting community connection, social capacity building and celebration in reference to specific events across communities within the Walgett Shire.**

## **8. Youth Development Programs- Youth Empowerment**

The Youth Development Program within Council offers opportunity to all young people within Walgett Shire striving to achieve positive outcomes for the benefit of all youth. In 2007 the Shire Youth Development team took the mantle as the lead agency across communities. The youth of the Walgett Shire now have access to youth related activities on a regular basis, and through these activities provide a foundation for the promotion of health, and being proactive within the Aboriginal community. Council will continue to lead the way working with local organizations (PCYC, sporting Groups) and peer groups for the betterment of our youth and young people.

### **Recommendation 8:**

National Reconciliation Week offers people across Australia the opportunity to focus on reconciliation, to hear about the culture and history of Australia's Indigenous people, and to explore new and better ways of meeting challenges in our communities.

National Reconciliation Week is a time for us to renew our commitment to reconciliation and to think about how we can help turn around the continuing disadvantage experienced by Aboriginal and Torres Strait Islander Australians.

### **Recommendation 12:**

**That Council, in consultation with the relevant Aboriginal Organisations, Walgett, Lightning Ridge and Collarenebri Land Councils and Inter agencies groups, CWP, participate in National Reconciliation Week by hosting a range of activities focused on youth and the wider community.**

Council is proud to align with Jimmy Little's daughter Ms. Frances Little in her support for this opportunity which is also endorsed by the Jimmy Little Foundation.

**“Permission to publish approved by Jimmy Little (AO) Foundation Australia”**

### **Recommendation 16:**

**That Council seeks to identify and support local artists with the Mr. Jimmy Little Scholarships in the Arts grants available annually.**

**Council will commit grants totaling \$10,000 (four grants worth \$2500.00 each) every year to emerging / established artists in a range of mediums as per guidelines and application.**

## 17. Significant Aboriginal Sites

Aboriginal culture has a special place in the Shire with significant historical and cultural sites dotted across the entire region. Some of these sites include Norman Tracker Walford Walkway, Collarenebri Sacred Aboriginal Cemetery, and Indigenous Carved Trees at Collarenebri, Goondee Aboriginal Keeping Place, Lightning Ridge Bush Tucker Garden and Two rivers Meeting Site. The growing interest, awareness and desire to experience, Aboriginal culture, art and lifestyle particularly by international visitors provides significant exciting opportunities for Aboriginal people to further develop viable and sustainable tourism ventures and to be more actively involved in the mainstream tourism industry.

### Recommendation 17:

## 18. Walgett Shire Council Plans and Staff

### **Recommendation 18:**

## 19. Aboriginal Heritage

The Indigenous cultures of Australia are the oldest living cultural history in the world - they go back at least 50,000 years and some argue closer to 65,000 years. It is imperative that the Aboriginal heritage and way of life before contact with non-indigenous people is identified, recorded and conserved.

A community based heritage study was recently developed for Walgett Shire Council. One of the key aspects of this study was the recommendation that “Council consult with the Aboriginal community and undertake a study of Aboriginal heritage in the Shire.” Following this study it was also resolved by Council that it would consider funding a study of Aboriginal heritage in the Shire to be undertaken in consultation with the Aboriginal community.

### Recommendation 19:

That Council support and develop a study of Aboriginal heritage in the Shire in consultation with the Aboriginal community.

*“On 27 May 1967 Australians voted to recognise the rights of Aboriginal and Torres Strait Islander people in the census and give the Federal Government powers to make laws for the benefit of Indigenous Australians.*

*It was a transformative moment in acknowledging the harmful wrongs of our colonial past. Yet 50 years on, the government continues to fail First Australians, and is ignoring their leadership.*

*As notable Indigenous leaders, academics, spokespeople and representatives met in Uluru last week they delivered a statement from the heart: “In 1967 we were counted, in 2017 we seek to be heard.”*

*And as these inspiring quotes by influential Indigenous leaders show, no one knows their communities and the challenges they face better than they do themselves.*

*It’s time the Australian Government listens and follows their lead, and puts Aboriginal and Torres Strait Islander people at the heart of their decision making.”*
