

NOTICE TO RESIDENTS

Euroka Street Tree Removal

Walgett Shire Council wishes to advise residents and road users that the trees on Euroka Street (Between Pitt Street & Namoi Streets) are being removed on Tuesday 13th April and Wednesday 14th April 2021.

Please be advised that pedestrian and vehicle access will be extremely limited as per the Traffic Management Plan. It is asked that no vehicles be parked on the road reserve during this period.

Once the trees have been removed heavy patching will commence and a replanting program will follow once roadworks are complete.

Council apologises for any inconvenience caused to residents during this period.

Should you require further information regarding these new works please contact Peter Ricardi, Acting Urban Manager on 6828 6100.

Michael Urquhart
General Manager
