

PUBLIC NOTICE

Replacement of Hollywood Bridge

Council have engaged a Contractor to Design and Install a replacement for the timber bridge on Colrose Road just north of Hollywood Lane. The new structure will be a 5 barrel culvert.

The project has been in planning for some time and the contractor is about to start site works.

Works will consist of:

- Installing a side track
- Excavating and installing a base slab
- Installing prefabricated box culverts
- Installing guard railing
- Reinstating road approaches

The structure will have similar footprint to the existing bridge.

Mobilisation is planned for the 9th May 2022 and works are expected to take 8 weeks, weather permitting.

Any enquiries regarding these construction works please contact Mr Tim McLoughlin on 0408 364 810.

Michael Urquhart
