

PUBLIC NOTICE

Drainage works on Three Mile Road

Council have engaged a Contractor install a new Floodway in three Mile Road

The project has been in train for some time and the contractor is about to start site works.

Work will consist of:

- Installing Traffic Control Measures
- Installing Road diversion around the work area
- Removing some existing culvert sections
- Excavating and installing a concrete Slab
- Road woks to match slab
- Installing required signage
- Opening to the public

The floodway will be a concrete slab at ground level 50m x 10m.

Work will commence on 13th June and take approximately 2 weeks.

Any Enquiries regarding these construction works please contact Mr Tim McLoughlin on 0408 364 810
