'Rivers, Plains and Opals' Newsletter  
SPRING 2020

## THE WALGETT SHIRE COUNCILLORS HAVE CHOSEN MICHAEL URQUHART AS ITS NEW GENERAL MANGER.

Mayor Manuel Martinez said "2020 has been a difficult time for everyone and Mike has been the Acting General Manager and Chief Financial Officer for the past seven (7) months and has demonstrated a high level of commitment to the shire.

Councillors are very pleased with the direction he has taken the Council, his response to local water emergencies, handling of the Covid Pandemic, his successful achievements in lobbying for additional grant funding and communication with Councillors and the community"

Michael has worked in Local Government for 39 years having held senior management positions with Quirindi, Liverpool Plains, Walgett, Central Northern and Castlereagh Macquarie County Council's. His experience includes finance, administration, community and property services, tourism and economic development.

Michael said "his priorities for the shire included a greater focus on the renewal of road infrastructure, water security, economic and tourism development. He said "Walgett Shire is not unlike other smaller rural Councils it too was facing the challenges of a changing demographic with a drift of its young people to the eastern seaboard.

Economic and tourism development are the fundamental elements for the well-being of a community and its individuals. We need economic development in our community, investment in the people and local businesses and from this we will generate social development and build community capacity"

Michael said" he also wanted Council to focus on the development of sporting and cultural facilities, parks and gardens, community events, and beautification of all towns and villages in the shire.

In closing he said "I am passionate about quality service delivery and I will be working closely with the Councillors, community and Council staff, as together we can create a healthy, vibrant and sustainable shire.

## 2020 RECONCILIATION ART COMPETITION

The recent Shire wide Reconciliation Art competition has been judged by renowned Aboriginal artist Mr Frank Wright.

Council community development and youth teams partnered with Mission Australia and Walgett Aboriginal Medical Service to stage the competition throughout the Shire in a bid to raise awareness and understanding of reconciliation with the youth and young people.

Mr Frank Wright, who judged the competition said, "There were some outstanding entries and the competition has unearthed some very talented young people in all the communities."

With such a high number of entries received, Council would like to take this opportunity to acknowledge all work and appreciates the time and effort children have put into their artwork and a big congratulations to all the winners from each town.

The categories were:

Kindergarten - Years 3 / Years 4 - Years 6

## LIGHTNING RIDGE COMMUNITY GARDENS

The community gardens in Lightning Ridge are in full bloom with many vegetables and other produce being grown and nurtured by an outstanding group of community minded people.

Community members are encouraged to visit the gardens and speak with Nick and Ana who will gladly offer some healthy produce to families. The gardens are a credit to the volunteer group and proudly supported by Rotary and Walgett Shire Council.

Winning Entry by Leslie Wallace

## FROM THE MAYOR

Mayor Manuel Martinez

Walgett Shire Council Mayor, Manuel Martinez said "he was extremely pleased with the way the Walgett Shire community had adhered to the Covid restrictions as outlined in the Public Health Order, from individuals, families, sporting groups, and businesses, all have played a role in keeping the spread of Covid out of the shire.

The Mayor said "Covid 19 had impacted the entire Australian economy in some way, and everyone has a story about their individual accounts of dealing with these unprecedented times.

"Council staff are continuing to comply with the many Covid Plans that are in place at the various facilities, playground equipment and toilets are being disinfected daily.

I would encourage all businesses and residents affected by the restrictions to log onto the Australian Government's web site ([www.australia.gov.au](http://www.australia.gov.au))

For assistance with; Advice on restrictions, becoming a Covid safe business, financial support, seasonal employment, permits for farmers and workers outside the border zone", he said.

Mayor Martinez went onto say "A vaccine is a long way off and this is not the time to become complacent, the community must keep strong and maintain its adherence to the restrictions, as we are all in this together, we need to ensure physical distancing, wash hands regularly, be aware of the symptoms and make sure workplaces are regularly cleaned.

Community members requiring more information on Covid-19 should call the "National Coronavirus Health Information Line" on 1800 020 080.

## SHIRE WIDE ANTI-GRAFFITI INITIATIVE

Council's community development team will present the first ever anti-graffiti policy and procedure to Walgett Shire Council for adoption.

The policy will support effective and measurable methods, proven in many communities throughout NSW in reducing and addressing issues with graffiti and vandalism.

Aligning with the development of the graffiti policy, is the recent revitalization of existing murals and paintings carried out by local artist Mr Frank Wright and the council team.

The sporting mural on the corner of Fox & Neilly streets was first painted over 21 years ago by David O'Neill. The original artwork was focused on former NRL player Ricky Walford.

## WALGETT SHIRE LANDFILL CLEANUP

Significant works are occurring at Council's landfills in order to tidy up the landfills, promote safer sites and to ensure compliance with Environmental Protection Authority requirements.

Works have been undertaken recently at Collarenebri which include:

Filling of the offal pit. Old stockpiles at the site were moved into the offal pit cavity with the offal pit capped appropriately upon being filled.

Existing concrete and other stockpiles at the site to be capped to EPA standards.

Storm water and leachate control measures are put into place and monitored.

General site clean-up. Site clean-ups can be minimised through appropriate site use. Refer to the entry sign at each site to determine what wastes are accepted (village landfills accept domestic household waste only).

Large loads of waste or any building, industrial or commercial waste should be directed to Walgett or Lightning Ridge. These bigger landfills have the capacity and processes in place to handle these types of wastes.

Waste should be placed into the active cell (not on the edge) and scavenging is not permitted. Lighting of fires is prohibited and any asbestos waste should be directed to Walgett Landfill only.

Council staff are always happy to assist with any questions or concerns relating to landfills.
