

Walgett Shire Delivery Program & Operational Plan Review

The Walgett Shire Council's Delivery Program & Operational Plan is in review, and Council is inviting residents and ratepayers to have their say in planning the upcoming Delivery Program for 2022/23 to 2024/25, and Operational Plan 2022/23. (Because of the postponed local council election in 2020, the next Delivery Program is three (3) years.)

During March 2022, Council will be conducting a community consultation program to identify the community's main priorities and ambitions for the Shire – in other words, we want to know what is important to YOU!
