

## **NOTICE TO RESIDENTS**

### **Rowena Town Water Supply**

Council would like to advise the residents of Rowena that on Saturday, 26<sup>th</sup> March 2022 there will be an interruption to the town's water supply.

Essential Energy will be carrying out electrical maintenance work from 9.00am to 4.00pm, therefore there will be no electricity to the pump which fills the town's reservoir.

Residents will experience very low water pressure as the power outage will affect normal pumping operations from the town bore to the reservoir.

Council apologizes for any inconvenience caused to residents during this period of time.
