

# Guide to action 2025-2029

## About the Integrated Planning & Reporting Framework

The Integrated Planning and Reporting (IP&R) Framework guides Council’s work based on community goals.

- The Community Strategic plan sets the 10-year vision.
- Supporting plans guide action over the 4 years.
- Operational Plan tracks progress and is reviewed quarterly to stay aligned with council priorities

Ref: Community Strategic Plan - Office of Local Government NSW

## Walgett Shire Council’s Draft Suite of IP&R Documents

7. Revenue Policy (2025/2026)
8. Fees & Charges (2025/2026)
9. Operational Budget (2025/2026)

## Our Themes - that set our direction

### 1. Our Society

A safe, connected, inclusive and accessible community.

### 2. Our Environment

A sustainable and resilient environment that supports healthy communities, the economy and future generations.

### 3. Our Economy

Well-planned and maintained infrastructure that connects communities and supports economic diversity and growth.

### 4. Our Civic Leadership

An accountable and representative Council.

## Our Objectives - that help us keep us aligned to our priorities

### 1.1 Health & Well-being

Ensure community health, safety, and support services evolve to meet changing needs.

### 1.2 Social Connectivity & Inclusion

Provide facilities and services that enhance accessibility, social interaction, and diversity.

### 1.3 Skills & Opportunities

Support skill development, retention, and economic growth in Walgett Shire.

### 1.4 Lifestyle & Engagement

Enhance our cultural and recreational diversity through actively consulting and including the community.

### 2.1 Environmental Protection & Sustainability

Protect the environment through sustainable planning, resource conservation and waste management.

### 2.2 Infrastructure & Transport

Maintain a well-supported road network, ensure reliable water supply systems and maintain and improve built assets.

### 2.3 Heritage & Open Spaces

Preserve Aboriginal heritage, natural spaces, and historical sites for future generations.

### 3.1 Housing & Infrastructure

Advocate for diverse housing options and ensure infrastructure meets community needs.

### 3.2 Economic Growth & Employment

Support industry innovation and value-adding to drive job creation.

### 3.3 Business & Tourism Development

Attract regional events and leverage local assets to boost tourism and business.

### 4.1 Strong Governance & Community Engagement

Maintain transparent governance, clear communication, and community involvement in decision-making.

**4.2 Efficient & Sustainable Services**  
Continuously improve Council services, responsibly manage assets, and ensure fair distribution of resources.
