

**MANAGEMENT OF THE WALGETT MEMORIAL SWIMMING POOL AND
THE COLLARENBRI SWIMMING POOL
RFT 22/007**

Walgett Shire Council is seeking tender submissions from appropriately qualified and experienced suppliers to manage the Walgett Memorial Swimming Pool and the Collarenebri Swimming Pool.

The tender documents are available for download only in Tenderlink, Welcome to Walgett Shire Council E-Tendering (tenderlink.com). The contact person for this request for tender is Cindy Garrahy via the E-Sourcing Platform forum, which closes 5 days prior to closing the tender.

A non-mandatory tender briefing session will be conducted online via an online platform on 14/06/2022 at 10 AM AEST. (A link is provided within the tender documents).

The purpose of the briefing session is to advise all potential Tenderers of the background of the project and the tender process to ensure suppliers have an understanding of the requirements to submit a conforming tender. No on-site meeting will be conducted in person; however, it is recommended that tenderers make their own investigations.

Tenders may be submitted by the closing date and time, 27/06/2022 at 2 PM AEST to the online tender box in Tenderlink.
