

Walgett Shire Council

ABN 88 769 076 385

STATEMENT OF REASONS

Issued under section 2.22 of the *Environmental Planning and Assessment Act 1979*

DEVELOPMENT APPLICATION: DADA/2023/39

DISCLAIMER:- From 1 July 2018 consent authorities under the *Environmental Planning & Assessment Act 1979* must publicly notify their decisions as part of community participation reforms to simplify and increase transparency in the planning system. Section 2.22 establishes mandatory community participation requirements for agencies with planning approval functions under the *Environmental Planning & Assessment Act 1979*. Schedule 1 (Division 4) requires the following details on all determination decisions to be publicly notified.

APPLICATION DETAILS

Application Number:	DA/2023/39
Description of Development:	The development is a single storey four (4) bed residence with a double garage and associated driveways & landscaping.
Date lodged:	14/08/2023
Property Address:	68 Black Prince Drive LIGHTNING RIDGE NSW 2834
Property Title:	119//45077

THE DECISION

Decision:	Approved
Date of the Decision:	14/09/2023
Reasons for the Decision:	The development adequately satisfies the applicable provisions and objectives of the <i>Walgett Local Environmental Plan 2013</i> . The development is considered to be satisfactory, having regard to the relevant legislation, Council Codes and Policies and will not have a negative impact on the site or community. Accordingly the application is recommended for approval subject to conditions.

COMMUNITY VIEWS

Public Exhibition:	The application was not notified to adjoining landowners or advertised in accordance with the <i>Walgett Community Participation Plan</i> as it has been established during the assessment of the application, that the proposed development is unlikely to detrimentally affect adjoining properties or have a wider impact or special community interest.
Number of Submissions:	Not Applicable
Public Interest:	Public interest relates to whether there is widespread community support/opposition to the proposal. In this case, the matters addressed in this report relate to the impact of the development in the immediate vicinity of the site and there have been no issues identified that relate to the wider public interest.
