

Statement of Environmental Effects

LEGISLATION

In accordance with Schedule 1 of the *Environmental Planning and Assessment Regulation 2000*, a development application **must** be accompanied by a Statement of Environmental Effects.

QUALIFIER

This *Statement of Environmental Effects Template* has been produced to assist applicants identify the environmental impacts of a development and the steps to be taken to protect the environment or lessen the expected harm. The template is suitable for minor impact development such as dwellings, alterations & additions and outbuildings. It may be necessary for Council to request additional information depending on the nature and impacts of a proposal. Larger scale developments should be accompanied by a detailed and specific Statement of Environmental Effects.
