PURPOSE OF REPORT

Section 428 (1) of the Local Government Act provides that Council, within five (5) months of the end of each year, must prepare a report as to its achievements with respect to the objectives and performance targets set out in the Management Plan for that year.

The aim of the report is to increase the level of accountability and transparency of Council's operation and, to a large degree, the report achieves these aims as well as providing a relatively concise and informative insight into Council's operation.

Section 428 (3) of the Local Government Act specifies that the report need only be furnished to the Minister and such other persons and bodies as required by the regulations, and whilst Council complies with these directives it also feels that the report provides a valuable resource for Councillors and Staff as it provides a comprehensive yet concise overview of Council's operation and performance.

The report has been completed in accordance with the Guidelines of the Department of Local Government and includes information required under the following legislation: -

1. *Local Government Act 1993*
2. *Local Government (General Regulations) 1999*
3. *Local Government (Rates and Charges) Regulations 1999*
4. *Freedom of Information Act 1989*
5. *Information Protection Act 1998*

MAYORAL REPORT

I have much pleasure in providing the following report as part of the 2001/2002 Annual Report required under the Local Government Act 1993.

The outgoing Mayor, Mr Alan Friend has made a dedicated and valuable contribution over the past twelve months, and I extend my thanks to him on behalf of the Walgett Shire community and my fellow Councillors for his efforts.

The past twelve months has been a significant period for Walgett Shire Council, with an entire new management team being welcomed aboard during October/November 2001. Managers were recruited from as far a field as Western Australia, Melbourne and Sydney.

General Manager, Vic North with Councils endorsement, delivered a Corporate Organisational Structure and positions that were designed to attract suitably qualified individuals looking for challenges and enthusiastic about assisting communities and Council with new directions, strategies and outcomes.

I am pleased to report the task of recruitment was far more successful than the recruitment agencies would have us believe and even more gratifying was that the total recruitment process was handled internally.

Generally, all Managers have settled in well, but most have been confined to a large extent reviewing and updating internal systems prior to embarking on the wider external community issues of concern to Council.

Council continued to pursue a number of issues which have been of concern for a greater period of time including law and order, unemployment, roads and road funding, education and the underlying social issues. The General Manager and myself met with a number of State Government Politicians, including the Premier Bob Carr, the Attorney General, Bob Debus, Local Government Minister, Harry Woods, Minister for Land and Water Conservation, John Aquilina, Minister for Education and Training, John Watkins, Minister for Health, Craig Knowles and others to discuss these issues and some proposed strategies such as the River Towns Project, the Lightning Ridge Community Centre Project, proposals for Youth Services in the Shire and proposals for Economic Development including a business investment by a group of Asian business people. The Barwon Darling Alliance continued with a focus on the establishment of a Barwon Darling Credit Union, and although there is still a lot of goodwill from all member Shires and ATSIC, the process has been much slower than originally planned. It now looks as though an application won't be made to APRA until towards the end of 2002.

Walgett Shire Council – 2001-2002 Annual Report

I want to thank my fellow Councillors for their support during the past twelve months and for their commitment to the Walgett Shire Community, particularly their efforts to consolidate behind a common future direction. I would also like to thank the General Manager, the Management Team and all Staff of the Shire for the way that they have applied themselves during difficult and challenging times, they are truly a great team.

Finally, it has been a great pleasure serving as Mayor and representing Walgett Shire Council at a range of gatherings at local, State and Federal levels.

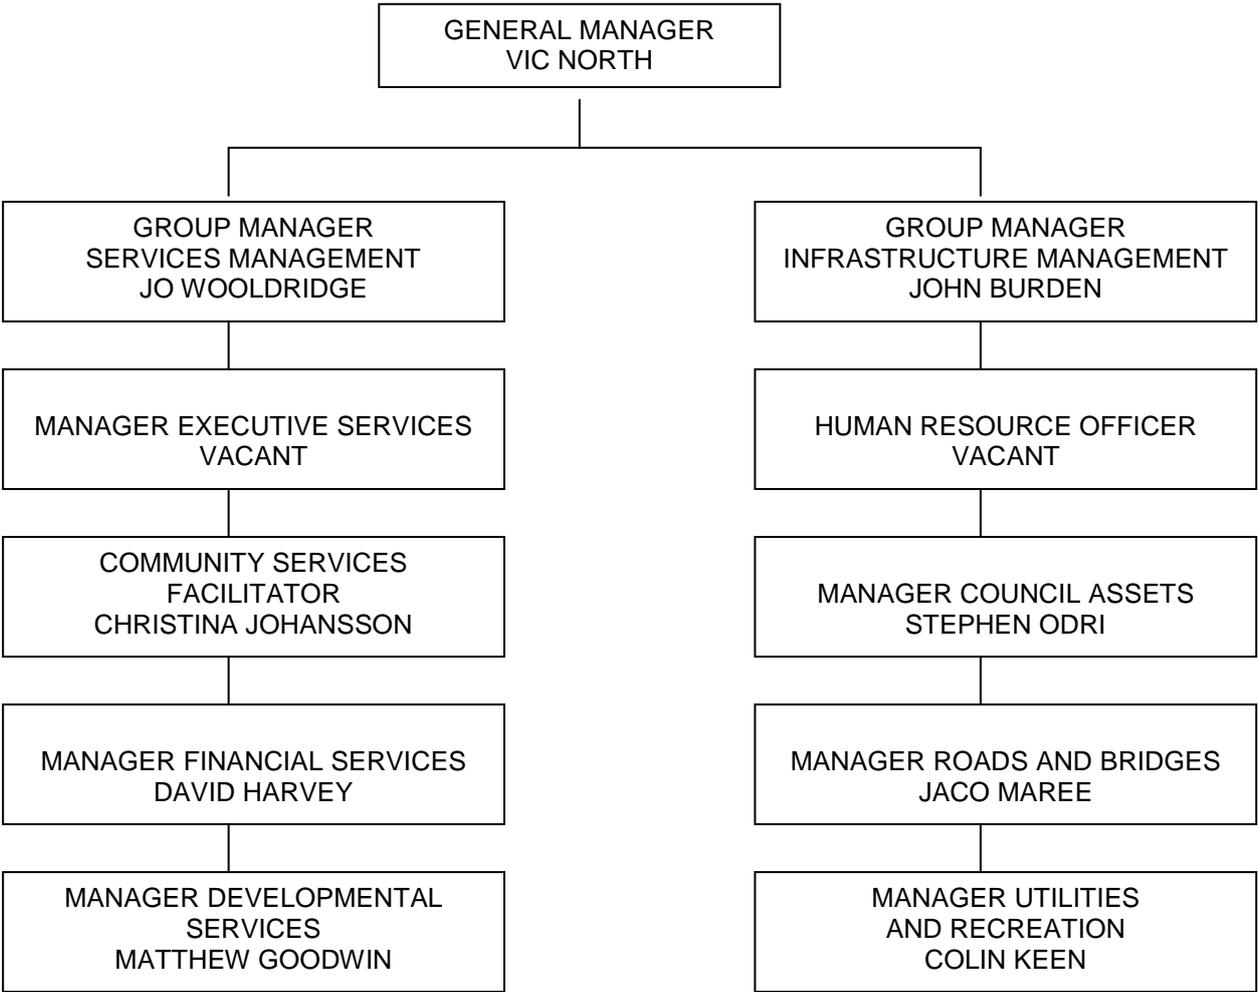

Peter Waterford
Mayor

GENERAL MANAGER’S REPORT

It is with pleasure that I present my report for the year 2001/2002 and in doing so, extend well deserved recognition to the Mayor, Councillors, Management Team and Staff for their valuable contributions and dedication during the twelve month period.

The new Management Team, recruited in October/November 2001 from all parts of Australia, has settled in well and commenced the program set by Council and the Community.

The current organisational structure is as follows:-

While individuals of the Management Team were initially attracted to the Shire by the many challenges that confronted the Community, the actual externally focussed priorities had to be delayed due to essential work needed on reviewing old internal infrastructure systems and implementing new relevant modern day approaches. This has proved a much longer and exhausting process than anyone imagined and I commend the Management Team and their Staff for persisting with this critical work.

Despite devoting a great deal of energy to these internal systems, a number of new projects and new initiatives have been introduced across the Shire. A new focus has been placed on tourism and a recognition of the wonderfully broad and diverse range of

Walgett Shire Council – 2001-2002 Annual Report

attractions that the Shire has to offer visitors. The development of a shire beautification program, has been introduced to lift the physical image of our Shire. Preparation for an economic development program and a means for attracting new investors to the Shire has begun. The preparation of a Shire Heritage Plan has been approved and a proposal for the development of a Thematic History of the Shire is close to agreement. Commitment of the Barwon Darling Alliance and its activities including the proposed establishment of a Barwon Darling Credit Union has continued. Discussions with the State Government on the establishment of a River Towns Project that will enable the Walgett community to address the underlying social issues in the town is well advanced. We have continued support for the Cuddy Springs Archaeological Dig, and the ongoing strategic development of the proposed Lightning Ridge Community Centre and Walgett Sports and Cultural Centre is being rolled out.

I am pleased with the work of our Staff and the successes that they have achieved in a relatively short period of time. It's not easy for a new Management Team to move into an organisation and undertake changes that have wholehearted support.

It has been a most challenging year, one that has been both successful and difficult, but I believe one that Council and Staff should be pleased with.

I would like to take this opportunity to thank the Mayor Peter Waterford and Councillors for their support, cooperation and friendship throughout the year and I would also like to thank the Management Team and Staff for their unfailing commitment to get the job done and to make progress towards making Walgett Shire a better place to live, work and visit.

I look forward with enthusiasm to the years ahead and the many opportunities that we will have to make a positive difference, to put our Shire on the map and to set an example for others.

General Manager

BUSHFIRE HAZARD REDUCTION ACTIVITIES

LGA SECTION 428 (2) (I)

GENERAL

The Walgett Shire covers an area of 22,007 square kilometres, which is protected principally by the local Rural Fire Service. The New South Wales Fire Brigade provides protection for the towns of Walgett and Lightning Ridge.

Both fire services assist each other under the Mutual Aide Agreement approved this year.

Council has acquired two (2) Category 2 Fire Tankers, these being stationed in Collarenebri and Carinda. A Category 1 Fire Tanker has been acquired for Come by Chance.

TRAINING

Nil

HAZARD REDUCTION

The 2001/2002 fire season was about average in terms of potential danger.

Hazard Reduction was carried out under the guidelines of the Bush Fire Management Plan by various ways: -

- (a) Controlled burning in areas adjacent to the waste tip, by Rural Fire Headquarter Brigade
- (b) Roadside grading and slashing by Council
- (c) Slashing of urban vacant blocks
- (d) Farmers with “permit” burns, burning large areas of cereal crop stubble and ploughing provided great fire protection
- (e) Controlled burning by New South Wales Fire Brigade within the urban boundaries

INCIDENT REPORTS

Incidents reported during 2001/2002 were: -

- (a) Twenty Eight (28) Bush Fires –
Total area burnt approximately 150 hectares
- (b) No Structural Fires

- (c) Seven (7) Motor Vehicle Accidents-
 - Four with 100% damage
 - Three with 30% damage

SUMMARY

Due to the hazard reductions mentioned above and the co-operation of the personnel responsible, the Walgett Shire experienced a moderate year with regards to fire related incidents.

<p>PROGRAMMES TO PROMOTE SERVICES AND ACCESS TO SERVICES FOR PEOPLE OF DIVERSE CULTURAL AND LINGUISTIC BACKGROUNDS LGA SECTION 428 (2) (J)</p>
--

Council recognises the need for the provision of and access to appropriate services for all sections of the community within the Shire. Accordingly, Council has ensured that provision has been made for all Sections of the Community in relation to access to services.

Council is conscious of developing and promoting better understanding of the issues related to the people of diverse cultural and linguistic backgrounds who live in the Shire.

Council commissioned the preparation of a Social Plan and this was adopted by Council in October 1999 and will be updated with every significant change. This document has not required amendment in the 2001/2002 period.

The plan is attached to and forms part of this Annual Report in **Appendix “C”**.

<p>WORKS CARRIED OUT UNDER SECTION 67 LGA SECTION 428 (2) (K)</p>

There were no works undertaken under the provisions of Section 67 during the year ending 30 June 2002.

**CONTRIBUTIONS UNDER SECTION 356
LGA SECTION 428 (2) (L)**

A total of \$21,589.72 was expended during 2001/2002 by way of donations and contributions.

Of this amount \$3,500.00 was to Radio 2WEB to assist its continued operation and ability to provide essential community and emergency information to the Western Region of the State and in particular residents of this large Shire.

Other minor contributions were made to various sporting, cultural, school and community organisations.

Council recognises the valuable contribution made by the various community groups within the Shire and the fact that without such continuation on a voluntary basis many of the services and facilities currently available would not otherwise be able to be provided. Councils contribution under Section 356 in some small way recognises this impact.

**STATEMENT OF HUMAN RESOURCES ACTIVITIES 2001/2002
LGA SECTION 428 (2) (M)**

SALARY SYSTEM

The arduous task of evaluating performance and skills of employees was delayed due to the resignation of the previous Human Resource Officer and the hiring of a new one. Council has completed 95% of the staff appraisals with finalisation of payments back dated to 1 July 2002. The staff concerned where appraisals still need to be completed, have had regrading of their positions undertaken and new competencies established. Their appraisals will be performed as soon as possible.

We have gone through all the positions in Council and an organization chart has been implemented. Those employees who were occupying certain positions without being formally placed into them have had the formal interview procedures done and those successful applicants have had their positions and proper grading formalised.

OH&S

The OH&S Committee have been meeting regularly every month to discuss and review various workplace issues. We have called for nominations for the committee as well as a secretary, considering the sudden resignation of our former secretary. With regard to Workers' Compensation issues, in the past 4 months we have had no new claims to report.

RECRUITMENT

A new Policy and Procedures Manual for Recruitment of Staff is underway. Once approved by the General Manager it will go before the Consultative Committee and Council for endorsement.

TRAINING AND DEVELOPMENT

At the present time we have 19 employees undergoing traineeships – Civil Construction, Horticulture and Local Governance Administration. We have had 6 employees complete their respective traineeships successfully with 3 more employees to be signed up for their traineeships – 2 x Horticulture and 1 x Local Governance Administration.

We have had a variety of Courses – both in-house as well as outside Council for a great number of employees with great success.

CONSULTATIVE COMMITTEE

Regular meetings have been held monthly with the revamping of the Constitution 95% completed. The Committee has been very successful in addressing all the issues addressed to them.

EEO

At present we are in the process of either of two options. Option 1 is to re-establish the EEO Committee and Option 2 is to combine the EEO Committee with the Consultative Committee. Option 2 seems to be the way to go as, to date, Council has not had any EEO issues to deal with. The EEO Committee is a sub committee of the Consultative Committee so it makes sense to combine the two, hence cutting out the need for another committee to be formed.

However, Council has always applied the principles of the Equal Employment Opportunities Legislation to all appointments of staff and will continue to ensure all job descriptions and induction procedures highlight its commitment to those principles.

<p>A STATEMENT OF THE ACTIVITIES UNDERTAKEN BY COUNCIL DURING THE YEAR TO IMPLEMENT ITS EQUAL EMPLOYMENT OPPORTUNITY MANAGEMENT PLAN LGA SECTION 428 (2) (N)</p>
--

Council is mindful of its obligations under the Equal Employment Opportunities Legislation and has for sometime had an active and representative Equal Employment Opportunity Committee which has met to discuss issues as they arise.

The Equal Employment Opportunity Management Plan has been developed over some years and modified as deemed necessary.

Council has applied the principles of the Equal Employment Opportunities Legislation to all appointments and will continue to ensure that all job descriptions and induction procedures highlight its commitment to those principles.

A copy of Council's current Equal Employment Opportunity Management Plan, which incorporates a Policy Statement, is incorporated in this Report in **Appendix "D"**.

**STATEMENT OF ALL EXTERNAL BODIES THAT EXERCISE FUNCTIONS DELEGATED BY COUNCIL
LGA SECTION 428 (2) (o)**

The only function delegated by Council to other bodies is that of the Control of Noxious Weeds.

This function has been delegated to Castlereagh Macquarie County Council.

**STATEMENT OF COMPANIES IN WHICH COUNCIL HOLD A CONTROLLING INTEREST
LGA SECTION 428 (2) (p)**

Council did not hold a controlling interest in any companies during the period 1 July 2001 to 30 June 2002.

<p>DETAILS OF ACTIVITIES UNDERTAKEN TO DEVELOP AND PROMOTE SERVICES AND PROGRAMMES FOR CHILDREN LGR SECTION 31 (1) (C)</p>
--

Council works closely with all other Agencies to ensure that the needs of all children of all ages are met and whilst the needs of the Pre-School Children have over the past been the focus of attention the last twelve (12) months have seen a pro-active approach in the School Age Group.

Council employs a Youth Development Officer who has initiated After School Activities and has put considerable energy in promoting activities at the Youth Centres in both Lightning Ridge and Walgett.

Vacation Care is provided for school age children for two weeks in each school holiday period in the communities of Lightning Ridge, Collarenebri and Grawin. Vacation Care in Walgett is provided through the Aboriginal Medical Service for one week in each school holiday period.

Programmes have been developed for the Summer Holidays and the Youth Development Officer has made considerable progress in gaining acceptance and support for the range of new initiatives.

The small population base of many of the smaller towns and villages makes the task of organising and co-coordinating services and facilities in these places extremely difficult, however, the need is recognised and will be addressed as financial and physical resources allow.

It is important for the youth of the towns within the Shire that a co-operative and bipartisan approach be taken for any new initiatives introduced and Council has always been willing to support projects that will provided benefits for the young people of the Shire.

Further details are contained within the Social Plan – **Appendix “C”**.

**REPORT ON COUNCILS PERFORMANCE IN RELATION TO ACCESS AND EQUITY
ACTIVITIES
LGA SECTION 1 (D) (I)**

A comprehensive review of this area is contained within the Walgett Shire Social Plan, which forms part of this report as **Appendix “C”**.

Walgett Shire accepts that it has a responsibility to provide access and equity of all access to all services and has adopted the following principles which are contained with the Social Plan: -

- promote families in the distribution of resources, particularly for those in need
- recognise and promote people’s rights and improve the accountability if decision makers
- ensure that people have equitable and fairer access to the economic resources and services essential to meeting their basis needs to improve their quality of life
- provide access to give people better opportunities for genuine participation and consultation about decisions affecting their lives

Council does not have any business activities, which have sales in excess of \$2,000,000 and as such, no Category 1 Business Activities.

CATEGORY 2 BUSINESS ACTIVITIES

Council has two (2) Business Activities which it has deemed to be Category 2 Businesses and these are: -

1. Walgett Shire Water Supply
2. Walgett Shire Sewerage Services

The Financial Statements for each of the above form part of Council’s Annual Financial Reports and are contained in **Appendix “A”**.

PRINCIPLES OF COMPETITIVE NEUTRALITY

Council is mindful of the Principles of Competitive Neutrality and has applied them in its Category 2 Operations.

It must be remembered that Walgett Shire Council is a large Rural Shire in far Western New South Wales and in many instances undertakes activities, which in large centers may also be provided by the Private Sector. Council, however, provides these activities as a service to the Community, as distance, isolation and low population base prevents

the provision of the service by the private sector when motivated by profit rather than the Community Service Obligation of Council.

The need for Council's involvement is particularly important given the number of relatively small Communities within the Shire.

COMPLAINTS HANDLING FOR COMPETITIVE NEUTRALITY

As part of its General Complaints Policy Council has provided a mechanism for the handling of complaints regarding Competitive Neutrality. A copy of the Complaints Policy is appended to this Report in **Appendix "F"**.

Anyone who indicated that they wish to make a complaint concerning Council Operations is offered a copy of the Policy.

SUMMARY OF COMPETITIVE NEUTRALITY COMPLAINTS

No Complaints were received in the 2001/2002 Financial Year.

IMPACT OF THE FREEDOM OF INFORMATION REQUIREMENTS ON COUNCIL'S ACTIVITIES, POLICIES AND PROCEDURES

Council feels it provides adequate access to records and information and this is reflected in the fact that there has been no need for any FOI applications to be lodged.

While there was no direct impact to Council caused by the lodgement of any FOI application, Council remains aware of the need for compliance with the FOI Legislation and will need to be aware also when there is any potential conflict with the privacy Legislation.

PRIVACY AND PERSONAL INFORMATION PROTECTION ACT 1998

The Privacy and Personal Information Protection Act (1998) places obligations on Government Agencies including Local Government, within New South Wales to comply with the provisions contained therein.

The Legislation is far reaching and it will take sometime to fully clarify the impact of the legislation on Local Government and then in turn the impact on individual Councils and information that has traditionally been made available to the Public.

Council has adopted both the Model Privacy Management Plan and the Model Code of Practice for Local Government as an interim measure and will have Staff attend the necessary training seminars when scheduled to further familiarise themselves with all requirements.

As at 30 June 2002, there had not been any review conducted by, or on behalf of, Council.

Council is mindful of its continued obligations under the Act and will ensure that all Staff and Elected Members are briefed on the importance of the obligations.
