NATIONAL COMPETITION POLICY

CATEGORY 1 BUSINESS ACTIVITIES

Council does not have any business activities, which have sales in excess of \$2,000,000 and as such, no Category 1 Business Activities.

CATEGORY 2 BUSINESS ACTIVITIES

Council has two (2) Business Activities which it has deemed to be Category 2 Businesses and these are: -

1. Walgett Shire Water Supply
2. Walgett Shire Sewerage Services

The Financial Statements for each of the above form part of Council's Annual Financial Reports and are contained in **Appendix "A"**.

PRINCIPLES OF COMPETITIVE NEUTRALITY

Council is mindful of the Principles of Competitive Neutrality and has applied them in its Category 2 Operations.

It is to be remembered that Walgett Shire Council is a large rural Shire in far North West New South Wales and in many instances undertakes activities, which in large centres may also be provided by the Private Sector.

Council, however, provides these activities as a service to the Community, as distance, isolation and low population base prevents the provision of the service by the private sector when motivated by profit rather than the Community Service obligation of Council.

The need for Council's involvement is particularly important given the number of relatively small communities within the Shire.

COMPLAINTS HANDLING FOR COMPETITIVE NEUTRALITY

Council has a comprehensive broad based concerns management policy. This policy is available on enquiry from Council or Council's website, www.walgettshire.com

SUMMARY OF COMPETITIVE NEUTRALITY COMPLAINTS

No complaints to report on, however, Council is nonetheless mindful of the importance of Competitive Neutrality and applies it wherever practical and cost effective to do so.
